Platinum workstations  
are here!

“AWE is by the far the best choice for our Library! The interactive games, e-books, and new integrated graphics make this a huge benefit for families to help their young learners thrive in a fun and engaging way.”  
- *Kathy Husser, Tempe Public Library*

“Our patrons love the AWE workstations and are happy to play everytime they come in.”  
- *Lindsey Recka, Topsfield Town Library*

“Our two new AWE stations have become extremely popular. Even the older brothers and sisters want to be in on the fun and games!”  
- *Kala Hill Sims, Red River Parish Library*

“Our children’s room is quite busy. We try to stay on the cutting edge of technology and felt that the Platinum station was a good fit for us. I also like the way we can get stats on the usage.”  
- *Marylyn Galganski, Hudson Library*

“This software grabs their attention as they walk by and keeps them learning in every program.”  
- *Jessica Kjera, Wayne County Public Library*

“Within 5 minutes of putting two units on the floor, with no prompting from staff, children were on them [the workstations] and playing games.”  
- *Ann Dreiling, Kansas City Public Library*

Our mission is to inspire an enthusiasm for learning by supporting school readiness and literacy in the community.
