Includes Add-On Bundles!

AfterSchool Edge™ Highlights

1. Content

Nearly 250 award-winning titles that provide hundreds of hours of learning for children.

2. Safe Environment

Our products don't require an internet connection. Protect children from the chronic safety issues associated with online solutions.

3. Usage Metrics - Customer Portal

Provides meaningful usage reports and other metrics in order to validate that the product is delivering on the library's mission.

4. Easy to Use

All AWE Learning Workstations & Tablets are out-of-the-box ready and come with everything you need.

5. Time Tested

Nearly 50% of public libraries in the United States use AWE Learning products to improve literacy skills and increase the number of visitors.

“The kids gravitate to those stations immediately...They’re easy for the kids to use; they don’t need a lot of instruction, and the kids can do it independently.”

Rebecca Krauss
Director of Young Adult & Youth Services,
Phoenixville Library

Benefits

AWE Learning's AfterSchool Edge™ provides numerous benefits to young learners Ages 6-12:

- Expands learning beyond the school day
- Customizable content
- Engage children with technology, that is fun and educational
- Provides a digital educational experience that many kids don't have at home
- Supplement to Summer Reading program and Reading Olympics
- A safe-environment for kids to learn and explore

Our Mission

To inspire an enthusiasm for learning by supporting school readiness and literacy in the community.

AWE Learning has more than 25 years of experience providing early childhood literacy resources to public libraries and other community organizations. Since 2004, the Early Literacy Station™ has helped public libraries enhance their position in the community through school readiness and literacy skill-building for young learners.

AfterSchool Edge™ Platinum is available as a standalone unit or as an add-on to the Early Literacy Station™ Platinum, Bilingual Spanish or French Literacy Station Platinum
