

Hardware Platform Options & Specifications

AWE Learning's Digital Learning Solutions, an interactive and educational resource for children, are available on various hardware devices. The Early Literacy Station*[™] (ELS) is perfect for children ages 2-8, and the AfterSchool Edge[™], the ideal companion to the ELS, is geared for students ages 6-12. The latest version features over 70 educational software applications spanning seven curricular areas. The educational titles, including over 4,000 multi-curricular learning activities, are pre-loaded on the computer and are displayed using engaging and kid-friendly graphics and intuitive menus. As a plug-and-play solution, there is no Internet connection or technical assistance needed!

*Note: The ELS is also available in Bilingual Spanish (All-In-One, Desktop & Tablet) and Bilingual French (All-In-One & Desktop).
