

Dig for Treasure

Use the clues at the bottom of this treasure map to find where the treasure is buried. Circle the place to dig.

1. The treasure is located at one of the Xs.
2. An even number of Xs are west of the treasure.
3. The treasure is not buried next to the hut.
4. If the treasure is on the northern half of the island, there are two Xs north of it.
5. If the treasure is on the southern half of the island, there are two Xs south of it.
