

AfterSchool Edge™

The AfterSchool Edge, designed for elementary school children, ages 6-12, includes more than 70 educational software titles. The 4,000+ multicurricular and STREAM aligned learning activities, make the AfterSchool Edge the ideal resource for enrichment, intervention, homework help, and skill reinforcement.

The educational content in each curricular area is carefully chosen based on educational efficacy, age appropriateness, child engagement, and overall academic experience.

Homework Help Resources

Featuring fun and educational multi-curricular titles, the AfterSchool Edge™ is designed as both a research tool and to reinforce school curriculum. These programs provide homework help and enhance maker spaces.

Britannica Elementary and Student Encyclopedia

Take a journey with learning games, activities, homework help, timelines, maps, photos, videos, and virtual tours.

Britannica's International Science Suite

A comprehensive, sequential PreK program covering all subject areas, and more than 200 lessons. Includes songs, printable coloring pages, and more.
