For more than 20 years, AWE Learning has provided comprehensive digital learning and literacy solutions for early childhood education. Through our dedication to high quality, STREAM-aligned content that is easy to use, we collaborate with educators to enhance their role as community leaders in the pursuit of learning.

Our time-tested, easy-to-use solutions make literacy development and skill building fun for young learners, through engaging content and familiar characters. Multiple titles on Science, Technology, Reading, Engineering, Art, and Math are included in our workstations and tablets, to provide a comprehensive and exciting educational experience.

The AWE Learning systems are used constantly and they help to attract children and their families to the library on a repeated basis.

Kim Fender, Director
The Public Library of Cincinnati and Hamilton County

The variety of [titles] that are on there are amazing. All of the children love them, whether they’re in fifth grade or kindergarten.

Susan Nerey, Child Care Site Coordinator
Etiwanda School District, Etiwanda, CA

Our mission is to inspire an enthusiasm for learning by supporting school readiness and literacy in the community.

Early Literacy Station™

Our flagship educational solution introduces young learners to age-appropriate, multi-curricular content that is both fun and engaging. With a focus on literacy, young learners develop skills early on that will prepare them for success in education and in life.

- Designed for ages 2-8
- Focused on early literacy skill development
- Enhances school readiness
- Available in Bilingual Spanish or French

AfterSchool Edge™

The ideal solution for elementary-age children, the AfterSchool Edge is perfect for enrichment, intervention, homework help, and skill reinforcement. Young learners can continue to grow by extending their learning beyond the classroom.

- Designed for ages 6-12
- Aligned to academic standards
- Track usage and progress
- Supports differentiated learning

Our Commitment to Early Learning

Safe & Secure – AWE Learning solutions are self-contained learning environments. Young learners can explore and grow without the distraction and danger of unwarranted websites, applications, or solicitations.

Award Winning Content – Our solutions feature more than 70 STREAM-aligned titles that have been recognized by national organizations for their ability to develop early learning skills in an engaging and fun way.

Ease of Use – Every AWE Learning solution is ready to go right out of the box—simply plug in and play! Very little maintenance is required.

Additional Features

- Customize your experience with the admin control panel
- Generate usage reports through the Customer Portal
- Experience peace of mind with our industry-leading warranty
- Our U.S.-based Customer Support team is on call for you!

Student Learning Center™

A complete blended learning resource for Pre-K through 3rd Grade, the Student Learning Center can be tailored to meet the needs of each student. Educators can engage students through exploratory, prescriptive, collaborative, or project-based learning to achieve school readiness.

- Create Personalized Education Plans™
- Aligned to academic standards
- Perfect for remediation and reinforcement
- Available in Bilingual Spanish

ELF™ Child-Safe Browser

Additional learning opportunities are available through our exclusive child-safe browser. Hundreds of carefully-vetted educational websites are available on every AWE Learning solution through the ELF™ browser. You can also edit or add to the list of approved websites to customize your experience even further!
