"I personally found the programs 'revamped' and what I like to call relevant to our kids today. I especially appreciate the social/emotional component. This is very important in our world today."

- Heather Oates, Ligonier Valley Library Children's Librarian

AWE Learning Platinum Online features:

- STEM/STREAM aligned and Social Emotional Learning (SEL) content
- Non-fiction and fiction e-books
- Coding content PLUS Coding Add-On option
- Access from any internet-enabled device - *in the library or at home*
- Access from your Version 2 Platinum workstations
- Access to the Administrative Portal
- Utilization reports to show return on investment

Customer Spotlight Samuels Public Library, Virginia

Samuels Public Library recently added two (2) AWE Learning Early Literacy Station Platinum Version 2 All-In-One workstations to the children's section in their library.

The workstations are placed within the other computers on a long computer table with comfortable seating and looks out to Children's Department.

"I am extremely pleased to have these stations because they provide a huge assortment of both educational and entertaining content for ages zero to fifteen. Content features a vast array of subject matter: science, math, literacy, writing, typing, and more," said Michal

Ashby, Youth Services Supervisor at
Samuels Public Library.

"These computers are recipients of the Modern Library Award. The interface is simple and the content is colorful and easy to interact with. I am super excited and proud to share such a fantastic product to our community!"

Customer Support Version 2 Tips and More

On your Version 2 Platinum All-In-One and Tablet workstations, by clicking the gear in the upper right corner of the interface, you will be given important information regarding your unit. This includes:

- Serial number
- Customer code
- Version & Add-On Bundles
- Time and date
- Support contact information

Additional Version 2 Tips:

- The new Administration Panel on version 2 has been streamlined to make it easier to set up and get to the settings you need most.
- We recommend connecting your workstation(s) to your network to make it easier to obtain usage statistics.
- Connecting your workstation to the network will not allow users to access the internet in any way.
- The ELF Child-Safe Browser allows users to access 60+ vetted educational websites. When ELF is enabled, users will only be able to access these sites.

AWE Learning has recently renewed our security certificate for the Customer Portal. If you are getting an error code when launching the Customer Portal login page, you may need to delete the old security certificate. The new certificate will automatically install when re-launching.

Trying to contact Customer Support? If you are unable to get through via phone, please contact our Support Team via e-mail at support@awelearning and they will be sure to get in touch with you.
