Natasha Hayes
Hendry County Cooperative

Zoe Williams
University Park Library

Amanda Fack
Crown Point Library

AWE Learning Top Summer Literacy List

Summer Book Must Read:
- The Little Red Fort by Brenda Maier
- The Little Mermaid by Jerry Pinkney
- Dino Sports by Lisa Wheeler
- When you trap a tiger by Tae Keller

Banned Book Must Read:
- Bridge to Terabithia by Katherine Paterson

Summer Reading Implementation Guide

The **Summer Reading Implementation Guide** is designed to assist you with your summer reading program and help prevent summer slide through our STREAM-aligned content for your early learners.

Our guide is comprised of worksheets for six weeks of learning. Some worksheets incorporate AWE Learning's Platinum workstations, while others direct children to books or websites.

How to Encourage Learning Recovery and Prevent Summer Slide

YAY! School's out for the summer! That's what every student and teacher roars on the last day of school. Parents are excited at the thought of slower schedules and less homework. Students are excited about later bedtimes, extra screen time, staying outside longer, and not having to worry about tests or homework assignments. But the question remains, why worry about learning during the summer months?

Customer Support

Version 2 Tips:

- TURN OFF THE UNIT!

- Turning your AWEs on first thing will increase stats and ensure that they are not forgotten once the day becomes busy with patrons.

- Cleaning your monitor screen will help your computer touch function quicker-spray non-ammonia window cleaner on a cloth and wipe. Recommend screen protector as it is easier

- We recommend connecting your workstation(s) to your network to make it easier to obtain usage statistics and updates.

- Connecting your workstation to the network will not allow users to access the internet in any way.

- By connecting your device to your network our support team can help resolve any issues you

to clean and maintain. DO NOT SPRAY ON THE MONITOR!

- Clean the Mouse and Keyboard with disinfectant wipes. Clean keyboard upside down to prevent liquid from leaking into keys.

- Placement of your AWEs will make a difference in usage. Place them in a central user-friendly location where adults can supervise them while accomplishing their own tasks. This will increase usage. Some libraries have them spaced between the adult computers so the adult can sit next to their child. If they are in the Children's area, have them visible so the children know what they are and that they are for the children.

have remotely.

- Update 20 has been released
