AWE Learning Quarterly Newsletter

What's New at AWE Learning?

Thank you, Modern Library Awards!

We're excited to announce that LibraryWorks' Modern Library Awards has recognized AWE Learning for the **sixth consecutive year!**

See what customers said:

“This is a product that almost every kid that comes into the Children's library will gravitate toward and use. It is intuitive and the kids will entertain themselves for long periods of time, while parents can be assured that the kids are not accessing programs or sites that may be harmful.”

“(Our library system) has AWE stations in all of our five libraries and the kids LOVE them! The touch screen edition has made all the difference!”

“Our patrons love this product, and it is a great addition to our library.”

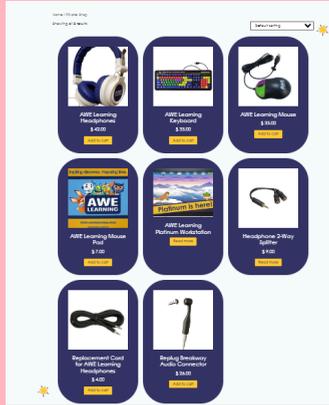

“I've been very happy and impressed with all of my AWE experience in the 5 years I have used their products at my libraries.”

Meet Us at PLA

Public library workers from across the country will meet in Columbus at #PLA2024, April 3–5. We can't wait to see you. Come check us out in Booth 1208!

AWE Learning at PLA in 2022!

Customer Support Tips

- Version 3, Patch 9 is available! Update your workstation(s)/tablet(s)!
- Turn off your computer when it's not in use.
- Be sure to plug your AWE computer into a surge protector to prevent software corruption or hardware damage.
- AWE software does not connect reliably to unsecure networks (Wi-Fi networks with no passwords).
- When connecting to your network, the AWE software cannot connect to a hidden network.

Need to contact Customer Support?

If you are unable to get through via phone, please contact our Support Team via e-mail at support@awelearning.com and they will be sure to get in touch with you.
