Book to Read: **Who's Hiding on Safari?** By Katharine McEwen

Reproducible Worksheet: **Safari Animal Facts**

LEARNING IS FUN IN THE SUMMER!

Trace over the letters to complete the sentences.

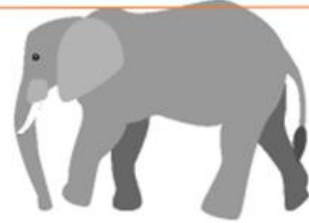

Safari Animal Facts

A giraffe is the tallest land animal.

Tigers are the largest feline in the world; even bigger than lions!

The older an elephant is, the bigger its tusks!

Hippos are usually nocturnal, meaning they are awake at night.

There are actually three different species of zebras.

Lions live in groups called prides.

Monkeys, like humans, often use tools to accomplish things!
