RoboGarden

Sign In Guide Tutorial

RoboGarden is a fun and easy way to learn coding. It is an easy-to-understand hands-on educational title where students take part in active learning. Fully equipped to teach coding literacy from scratch, RoboGarden reduces the need for a tech-savvy teacher. Journey #1 Get to Know the World in the Party, is included on all Platinum Workstations and Platinum Online.

To access RoboGarden, please follow the simple directions below. These directions apply to both the first journal which is included on your workstation or the add-on module which may be purchased for a separate fee.
