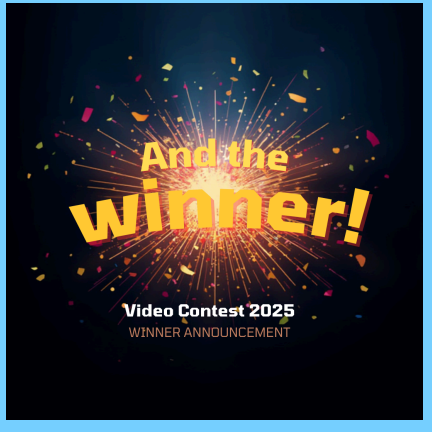
Video Contest



And the winner is?

As the winner of our **Video Contest**, Homer Public Library is putting this interactive learning system to great use. In this video, the library team shares how the workstation has become a hit with young visitors and how it's supporting early learning in

their community. Go to our YouTube channel to see what they had to say.

2026 Trade Shows

We're hitting the road! Once again! AWE Learning is excited to announce our attendance at several upcoming tradeshows.

Come meet us in person, explore our latest early learning solutions, and see how we're making learning fun for kids everywhere!

Check out where we'll be next! Click here to get a full list.

What Our Customers Have To Say:

"The machine has been performing exceptionally well, and it has quickly become a favorite among the children."

"Kids love them!"

"The AWE systems are used constantly and they help to attract children and their families to the library on a repeated basis."
