

## Sign In Guide Tutorial

### RoboGarden Birthday Party

RoboGarden is a fun and easy way to learn coding. It is an easy-to-understand hands-on educational title where students take part in active learning. Fully equipped to teach coding literacy from scratch, RoboGarden reduces the need for a tech-savvy teacher. Journey #1 Get to Know the World in the Party, is included on all AWE Learning platforms which include, Platinum Workstations, Platinum Online and tablets.

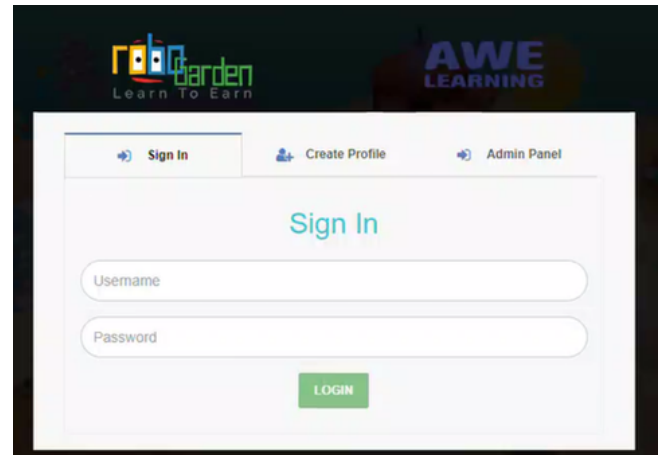

To access RoboGarden, please follow the simple directions below. This login information will be used for all patron access, so it should be easily visible and accessible. These directions apply to both the first journal which is included on your workstation or the add-on module which may be purchased for a separate fee.

# To launch RoboGarden

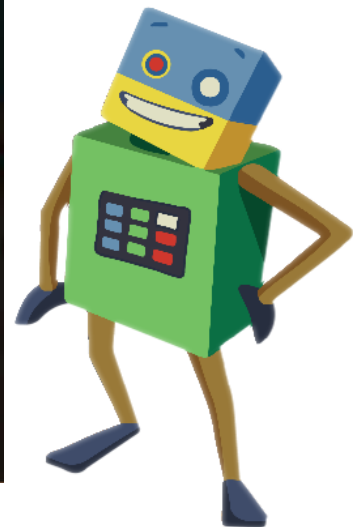

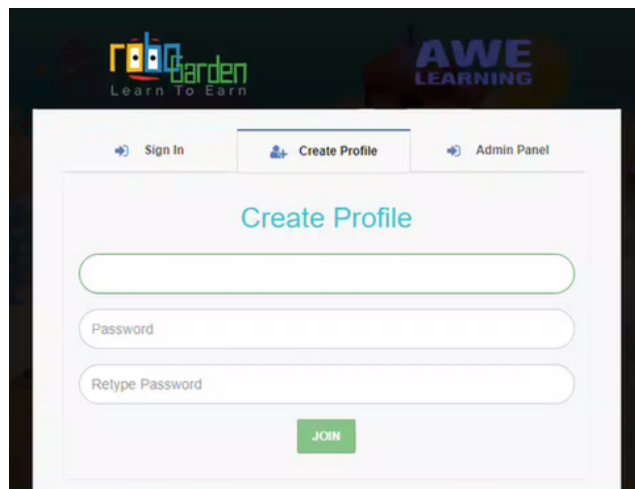

1

Launch your browser and open the RoboGarden Main Page

Click CREATE PROFILE: Create a username and password
